Please follow the steps below to connect to the meeting:

To begin with, note some information about the meeting online.

Attention: NZSAC Discussion for NZ-India Centre
Meeting ID: 6623
Date: 22/06/2012
Time: 11:30 (New Zealand Standard Time)
Duration: 04:00

Here are the following steps:

First of all, we recommend that you install the scopia software as follows:

To install the client, go to http://eds.karen.net.nz/scopia\?client

When successfully installed, you will get a screen like this:

To test that your software and hardware are setup correctly beforehand, you can join the 24hr test room by entering the meeting id 6222.
(You should be able to use any web browser to do that).

When you enter the above code (6222), you will get a screen like as follows where you can see other participants who are online, and can speak or hear other people speaking in the meeting.
So, after you have downloaded and installed the software, you can connect from your desktop using Windows or Mac, go to

http://sds.karen.net.nz/scopia?ID=6623&autojoin

Remember the code for the meeting: **6623**

You can also join the session using a cellphone or a regular landline.

To connect from a telephone or ISDN unit, please dial: +64 4 499 8283. When prompted for a meeting id, enter 6623 followed by #

**NB:** Usual tolls will apply
**NB:** This meeting will become available to join on the Bridge 10 mins prior to the start time.
